As announced, we are in the process of switching our worship area from pews to chairs. We will be posting the pews online in hopes of finding them good homes. The Lord's Supper is a participation in the emblems of the body and blood of Jesus as an expression of faith in Him. It is a time of self-examination of your relationship with Him. We take in unison to show the body of believers as the united body of Christ. The table is for all who believe and proclaim his name.

If you need to speak or pray with somebody following the morning worship service, we are here for you. Please let us know. We have several places in our building to meet with those that are in need of prayer, guidance or understanding of what it means to become a follower of Jesus.
